Bangalore District Deputy Comm's
Do. Confdl 2.9.22 regarding the
Retirement of Mr Narsinha's
Personal Asst to the Deputy.

Submitted for perusal.

2. This representation should
have been made through the
Revenue Commr.

3. Mr Narsinha was selected for
the Dept Asst in consultation with the
Rev Comr. It seems to me that
the Dept Asst sometimes has difficult
matters to deal with in the absence of the District
Officer and active steps like
Mr Narsinha is likely to prove more
useful to the Dept Asst than some
others who have recently held this
post. In complicated cases the
Dept Asst should guide & assist
the young Assistants.

4 In any case it seems desirable
that the matter should
be passed before Mr Narsinha's
services finally terminated.

D.O No. 2

Dear Sir,

With reference to Government Notification No.970/C.B.62-22-2 dated 29th August(received yesterday through the Revenue Commissioner), posting Mr.Charles Noronha as my Personal Assistant during the absence on privilege leave of Mr.C.NarayanaRao for three months, I beg you will be so good as to place the following facts before Government.

If the Officer's duties had been confined only to those of Personal Assistant to the Deputy Commissioner, I would have been quite pleased to have Mr.Noronha in the place. But, as Government are aware, the Personal Assistant has also the following charges, viz, the Sub-Division Officer, Bangalore Taluk, the Civil Officer, and the Land Acquisition Officer in respect of all cases in the Bangalore City. The Bangalore Taluk charge is a heavy charge, and complicated and very important questions constantly come up for decision - unlike as in the case of other interior Taluks. The Civil Officer's duties are becoming heavy as in the pre-war days, and much responsibility is involved in getting through this important work. Then, the Land Acquisition cases of the City and Taluk are also heavy, and often, of considerable difficulty, involving large compensation amounts, as in the case of acquisitions for -- Mills etc. The satisfactory discharge of these duties requires a senior officer of some experience, and it was on these considerations that I had requested the posting of a senior capable officer. Now, Mr.Noronha has just been confirmed as Assistant Commissioner, and has put in about 2½ years' service, and it seems to me that he may suitably be posted to the charge of a Treasury or the charge of a light Sub-Division where he might gain some experience, before

before being put to heavy and important charges. As examples of the difficult and complicated cases to be dealt with I might just refer to the acquisition of lands for the Minerva Mills, the disputes between the said Mills and the Binny Mills, the settlement of claims of parties against the Military Department at the Camps of exercise etc.. Such cases are not of rare occurrence.

Having regard to the nature and quality of the work, I even consider that a junior officer might more suitably be posted to the Dodballapur Division which consists of a few interior Taluks, than the Head-quarters Sub-Division with the Civil Officer's and Personal Assistant's duties attached.

I am sorry to trouble Government, but I consider that in the interests of work of this heavy charge, and in order that I may have some real and substantial help in the work of my office, a somewhat senior and experienced officer may be posted to the place. If I may mention a few names, any of the marginally noted officers would be suitable.

5th September 2

Dear Sir,

With reference to your D.O. letter No.2 of the 2nd instant in regard to the posting of Mr. C. Noronha as your Personal Assistant, I am desired to state that Government do not consider that Mr. Noronha is unfit for the post and therefore do not ~~consider~~ decm it expedient on your representation to cancel the appointment which was made in consultation with the Revenue Commissioner. The Dewan considers, especially after his recent inspection that the Deputy Commissioners rely too much on their Personal Assistants for their own work and he desires that this practice should cease. I am further to add that your communication should have been submitted through the Revenue Commissioner and not direct to Government.

Yours sincerely,

B. Ramaswamaiya, Esq., B.A., B.L.,
Deputy Commissioner, Bangalore.

Deputy Commissioner's Office,

Bangalore, 6th September 1922.

Dear Sir,

I beg to acknowledge the receipt of your D.O.letter No. 1117/C.B. dated 5/6th September 1922 in regard to the posting of Mr.C.Noronha as my Personal Assistant and to state that the order of Government will be given effect to.

In disposing of my request for a slight change in the arrangements, it has been observed that the Deputy Commissioners rely too much on their Personal Assistants for their own work and that this practice should cease. I beg to be pardoned for bringing to notice that I had ~~specially~~ specifically in stated in my letter that the change was suggested mainly, if not entirely, on the heaviness and difficult nature of the work of the division to which Mr.Noronha had been posted, and that with regard to his help in my work, I was quite content to have him as Personal Assistant. So far as this District is concerned at present, I beg to give the assurance that the practice referred to does not exist here.

With regard to the direct communication to Government, I beg to state that I sent to the Revenue Commissioner also a copy of my letter simultaneously, though this was not indicated by an oversight. The observation of Government has, however, been noted.

Yours Sincerely,
